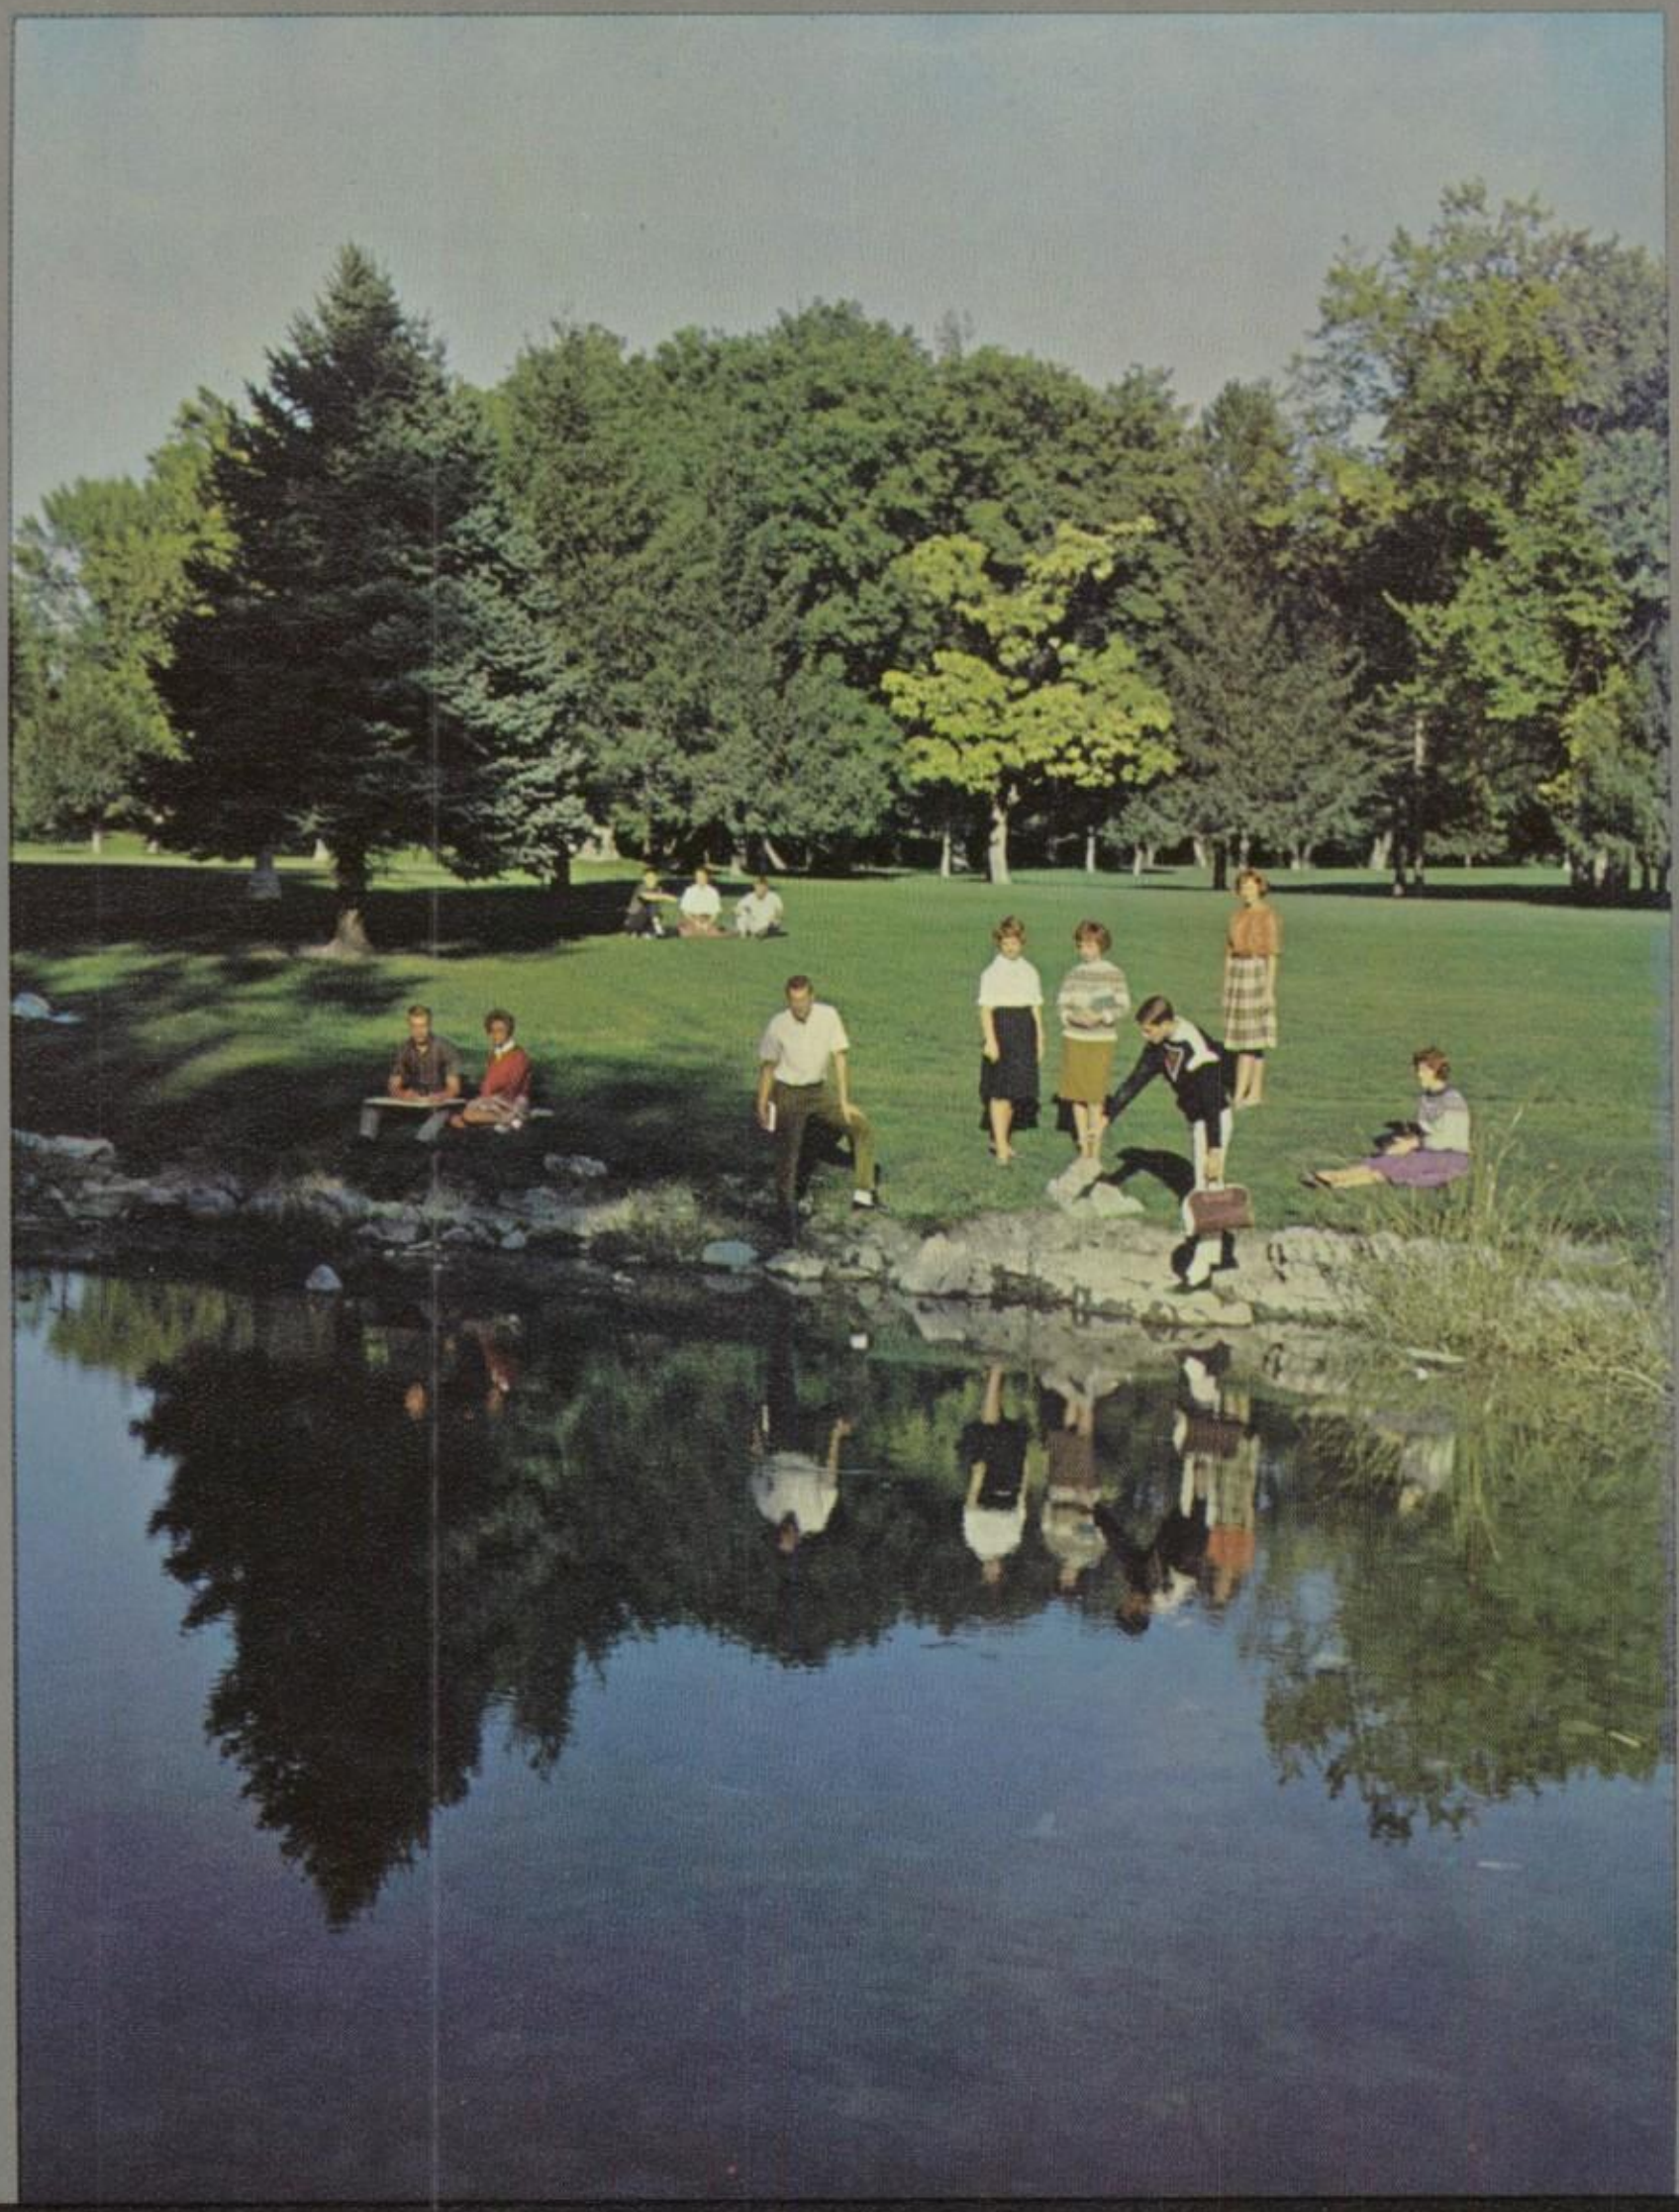
REFLECTIONS

Unlike the fleeting glance of the rippled water-mirror, this Odyssey has permanently recorded the kaleidescope of 1961-1962. As Olympus tucks another year of history into her scrapbook, let the members of her student body go forth into the future with new hope and new ideas which will reflect the progress they made at Olympus . . . for tomorrow will be a reflection of today, just as today reflects yesterday.



Dear Mike,

You're a really cute guy. Thanks for being so nice to me. You're forever getting higher scores than I in tests and things but I don't really mind.

Stay as funny as you are now and you'll always be as popular as you are now. I sure wish I were as popular as you.

See ya next year and possibly this summer.

Love ya,

PURSUIT OF GOALS

On September 1, 1953, the Olympus High School opened for the first time to 1,028 students.

The graduating class of 1960 numbered 730, the largest in the state. For the next two years Olympus continued to graduate the greatest number of students. This year, there were 2550 students enrolled, and 755 seniors were awarded diplomas, only 273 fewer than the total enrollment of the first year.

THIS YEAR HASNT SEEMED THE SAME WITHOUT SEMINARY. I KNOW THAT OUR SEMINARY CLASS HASNT BEEN A LOSS — WITH A CLEAN CUT YOUNG MAN AS YOU COMING OUT OF IT. YOURE GOING TO MISS GOOD TIMES BY NOT GOING UP TO SKYLINE. BE A GOOD BOY

CRAIG

Dear Mike,
Be nice & smile always!
Have fun next year in Olympus.
Love,
Sue

As distant stars guide mariners on their life journeys, so do high ideals, personified by our administration, guide each student to lofty achievements. As each Titan advances toward goals in life, he will reflect the realistic idealism which this administration has proudly offered to him, shared with him through the challenges and opportunities of new classes and activities.

This year, although Olympus had the distinction of being Utah's largest high school, through efforts of the administration, personal concern for each student was not sacrificed for a machinery efficiency. Each student received personal recognition for each accomplishment and individual counsel for any problem.

ADMINISTRATION

SUPERINTENDENTS

Advising the Granite School District Board of Education, working with teachers, addressing parents, and furthering good education for all students in the district, were just a few of the many duties which occupied the time of Superintendent Hartvigsen, Dr. Farrer, and Dr. England. Under their leadership the district experienced a major expansion. Two new elementary schools and one junior high school were completed; and plans were formulated and construction begun on a new high school to be completed in the fall of '62.

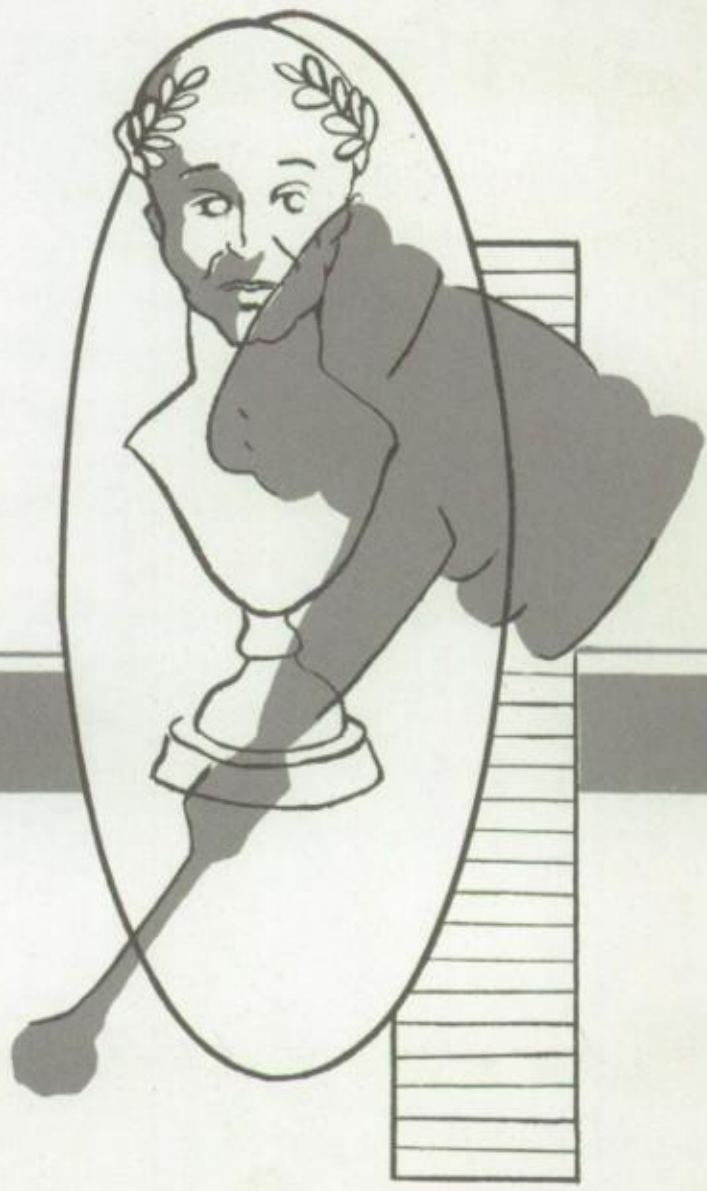
ELMER J. HARTVIGSEN

Left to Right: J. O. Brinton, Forace Green, Zelph Y. Erickson, M. Elmer Christensen, Burton F. Brasher.

BOARD OF EDUCATION

The Granite School District board members worked untiringly to direct the business of thirty-one elementary schools, eight junior high schools, and four high schools. Their days were occupied with meetings, lectures, and an endless string of administrative responsibilties. The efforts of these men are mirrored in the scholastic standing of the students of Granite School District.



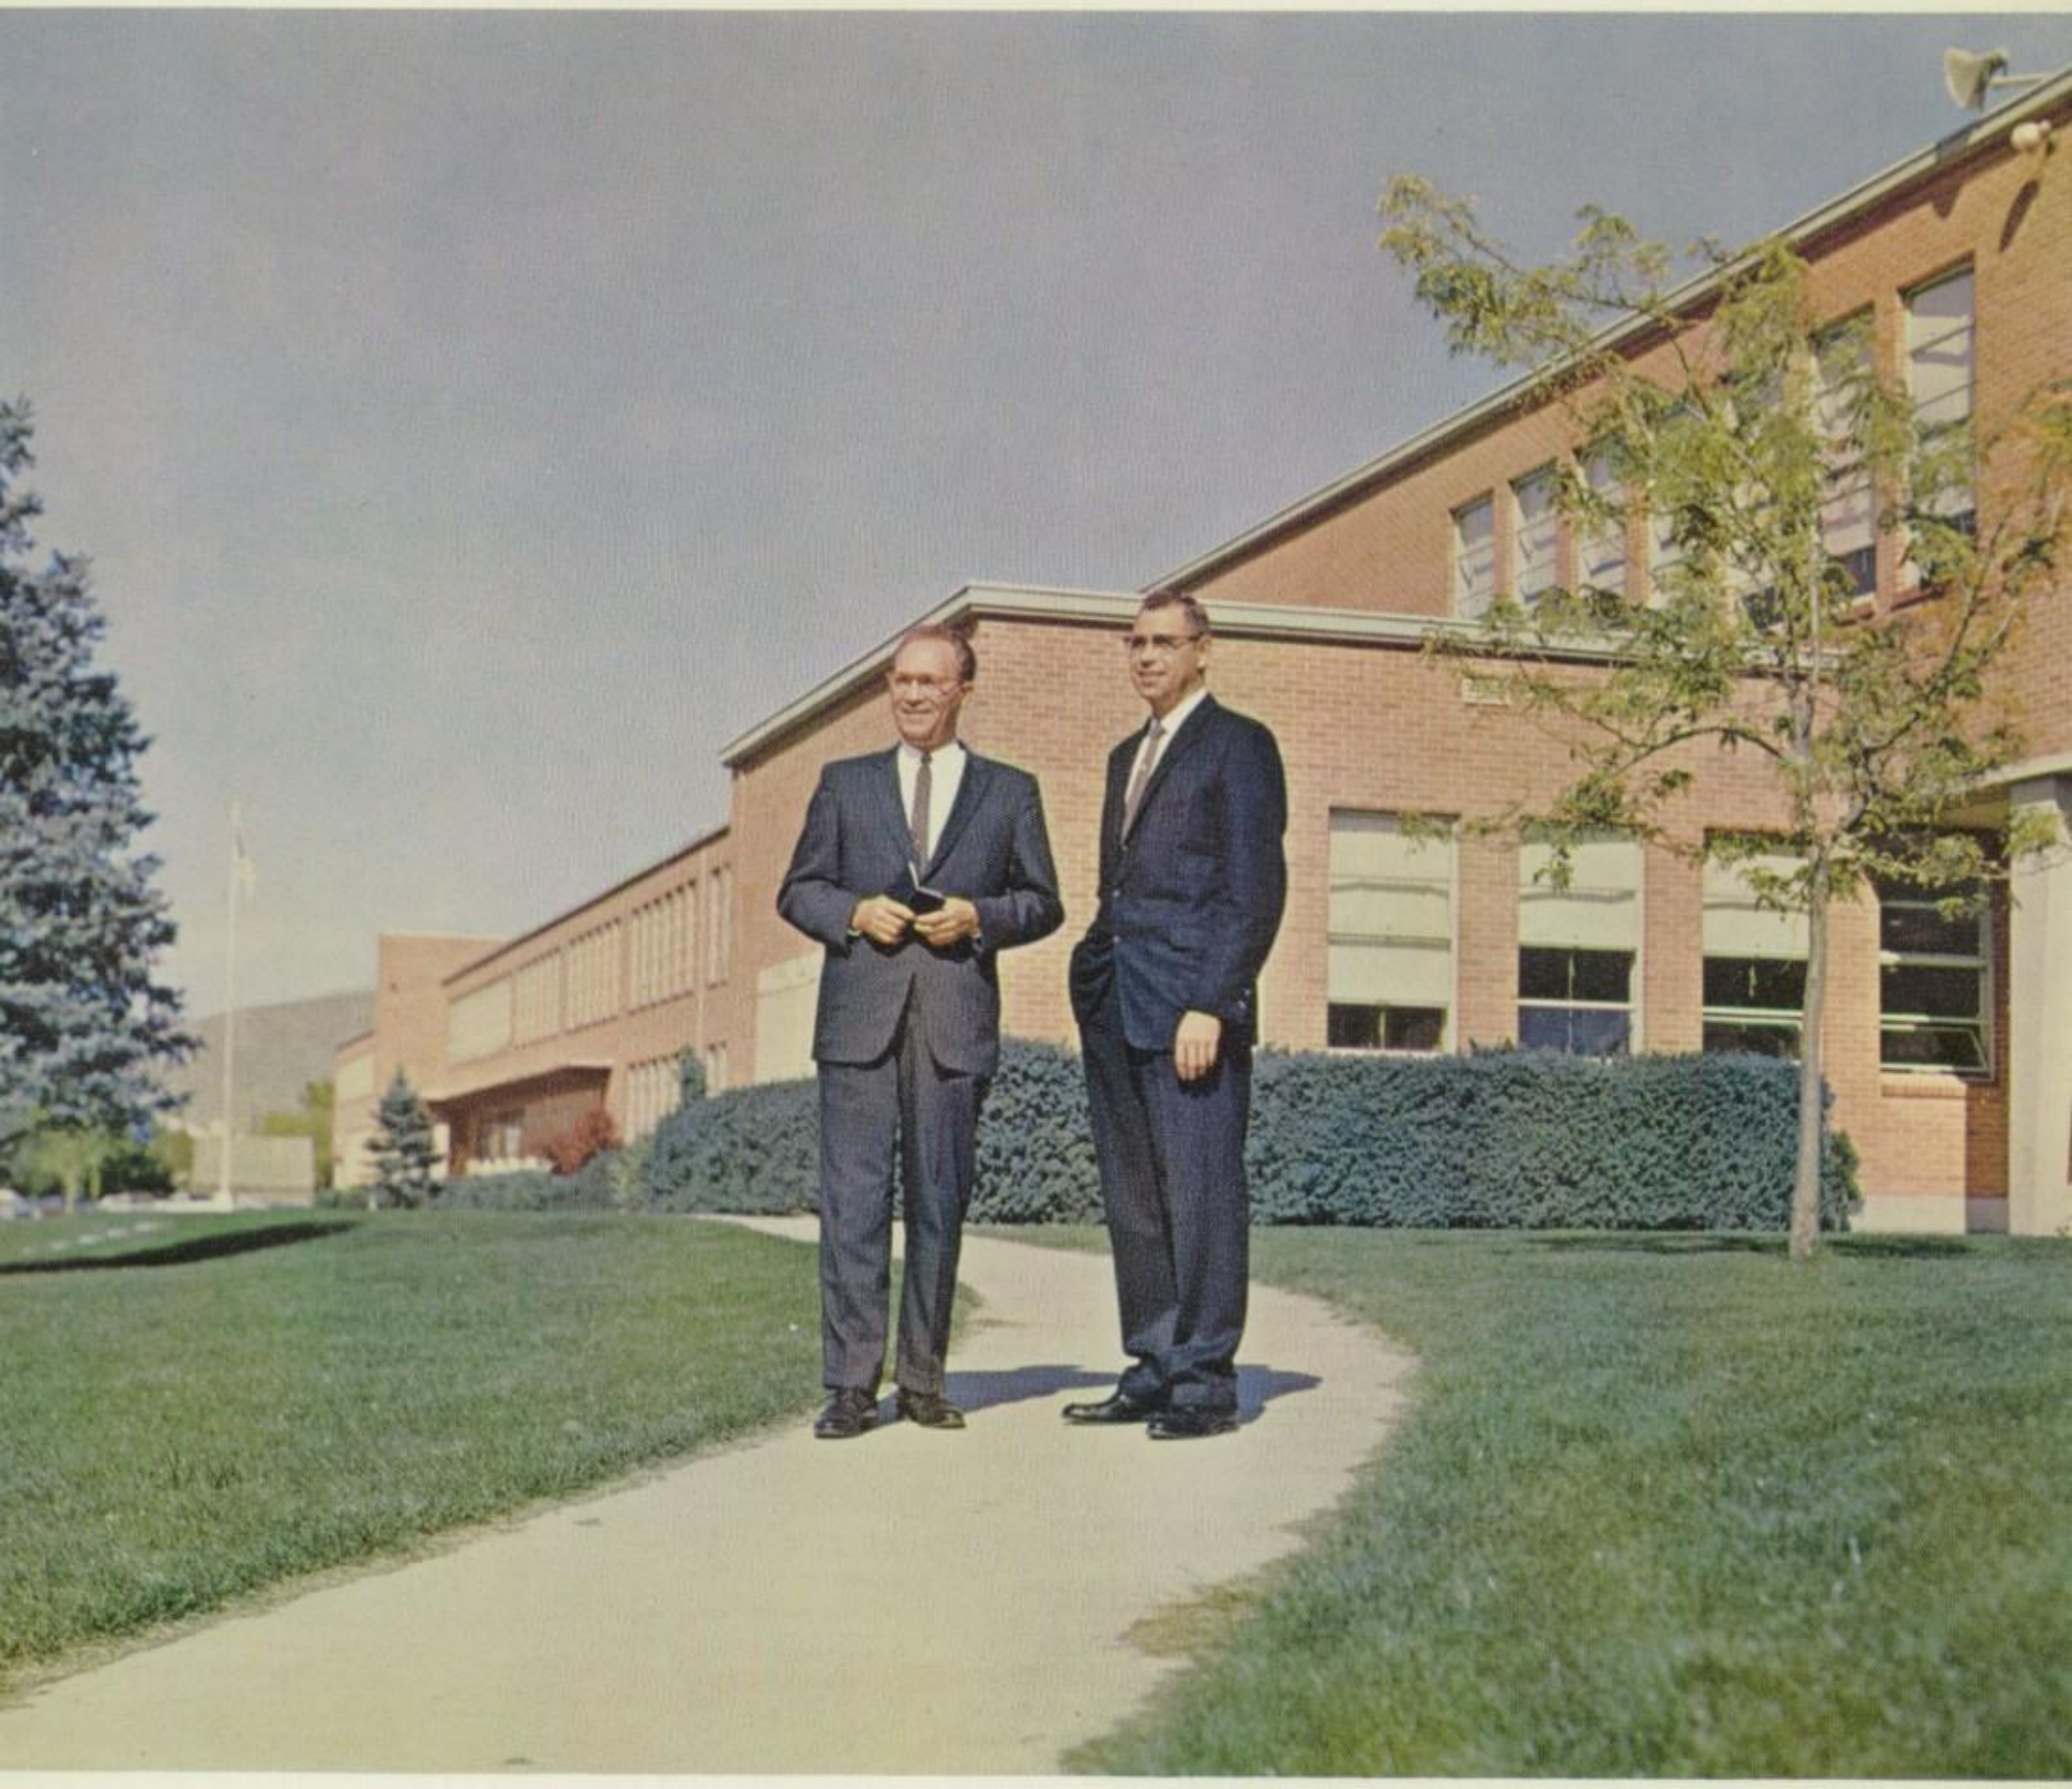
W. HAROLD HANDLEY

A single characteristic cannot distinguish any man. A single personality trait certainly cannot characterize Dr. Handly. Yet if one main quality must be chosen, Dr. Handly is known for his fairness. To teachers as they work with young people he has counseled, "Praise in public; reprimand in private," being, himself, a reflection of his maxim. In his continual effort to respect the individual, both student and teacher, he has not ceased in aiding these individuals to achieve superiority in scholastic endeavors. He has not ceased in working to maintain the precedence of high academic achievement at Olympus High School.

O. GRANT ROWLEY

A tall man, a quite man, Mr. Rowley has added dignity to discipline and excellence to activities in his position as vice-principal. Few Titans have known the responsibility involved in planning one year of outside-class projects for a student-body of over 2,6000.

Mr. Rowley requisitioned teacher supplies and allocated a budget for the school publications, dances, assemblies, operetta, and club responsibilities. He advised club sponsors and with wise counsel reviewed assembly programs and offered suggestions for improving the quality of the productions.



Mike,
Well buddy its been great although we have been in school. I hope I see you during the summer. I have fun and good luck!
Jackie Wackii

Dear Mike,

It's been so much fun this year I can hardly believe it. Its too bad that we didn't have any classes together though because I think you're so much fun and I really enjoy your personality. Thanks for the many times you have given us a ride home. It was really really appreciated. Thanks so much for your friendship. I really think you're a nice boy. Lots of luck this summer and hope to see you next year lots. Hope there are lots of fun parties we can go to.

Lots of Luck in the future -

COUNSELORS

Part of the role of a Counselor is to act as a mirror for students — to reflect their feelings and actions so that they see themselves more objectively. Another facet of the role is to guide and advise students in making decisions. The eight Counselors of Olympus, playing both reflector and advisory parts, have guided students in such matters as regular attendance, scholarship, vocations, curriculum choices, and higher education.

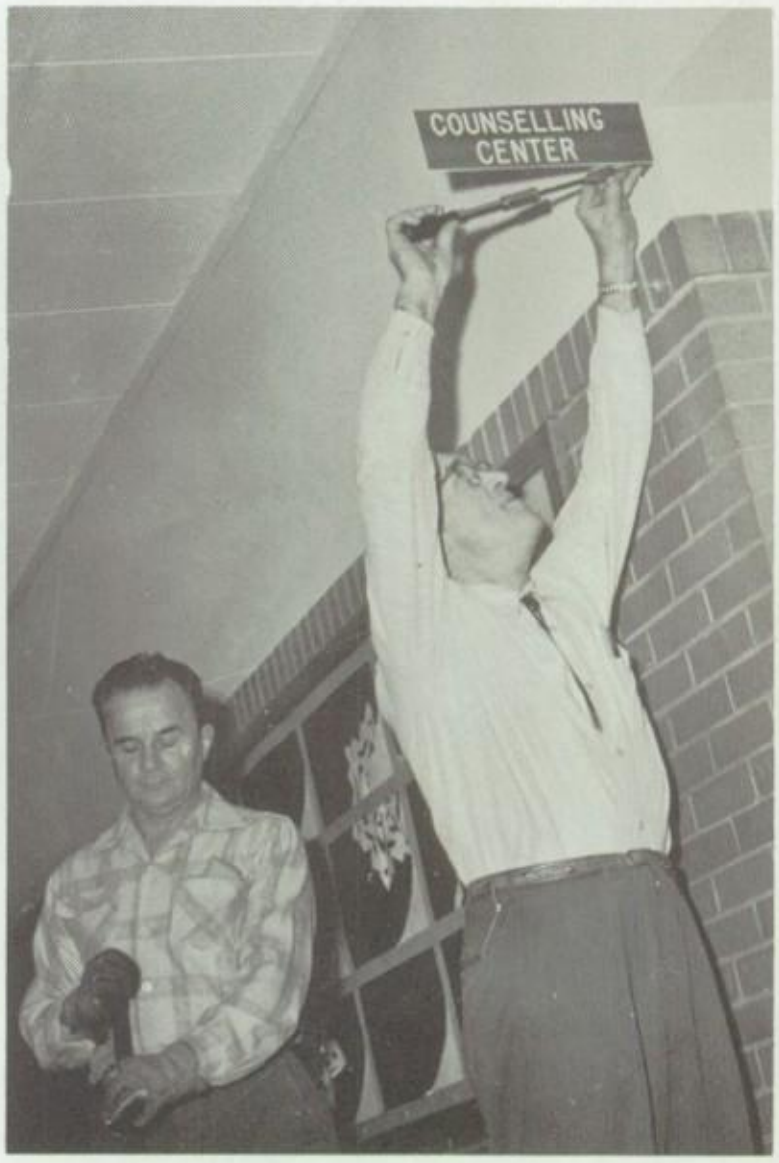
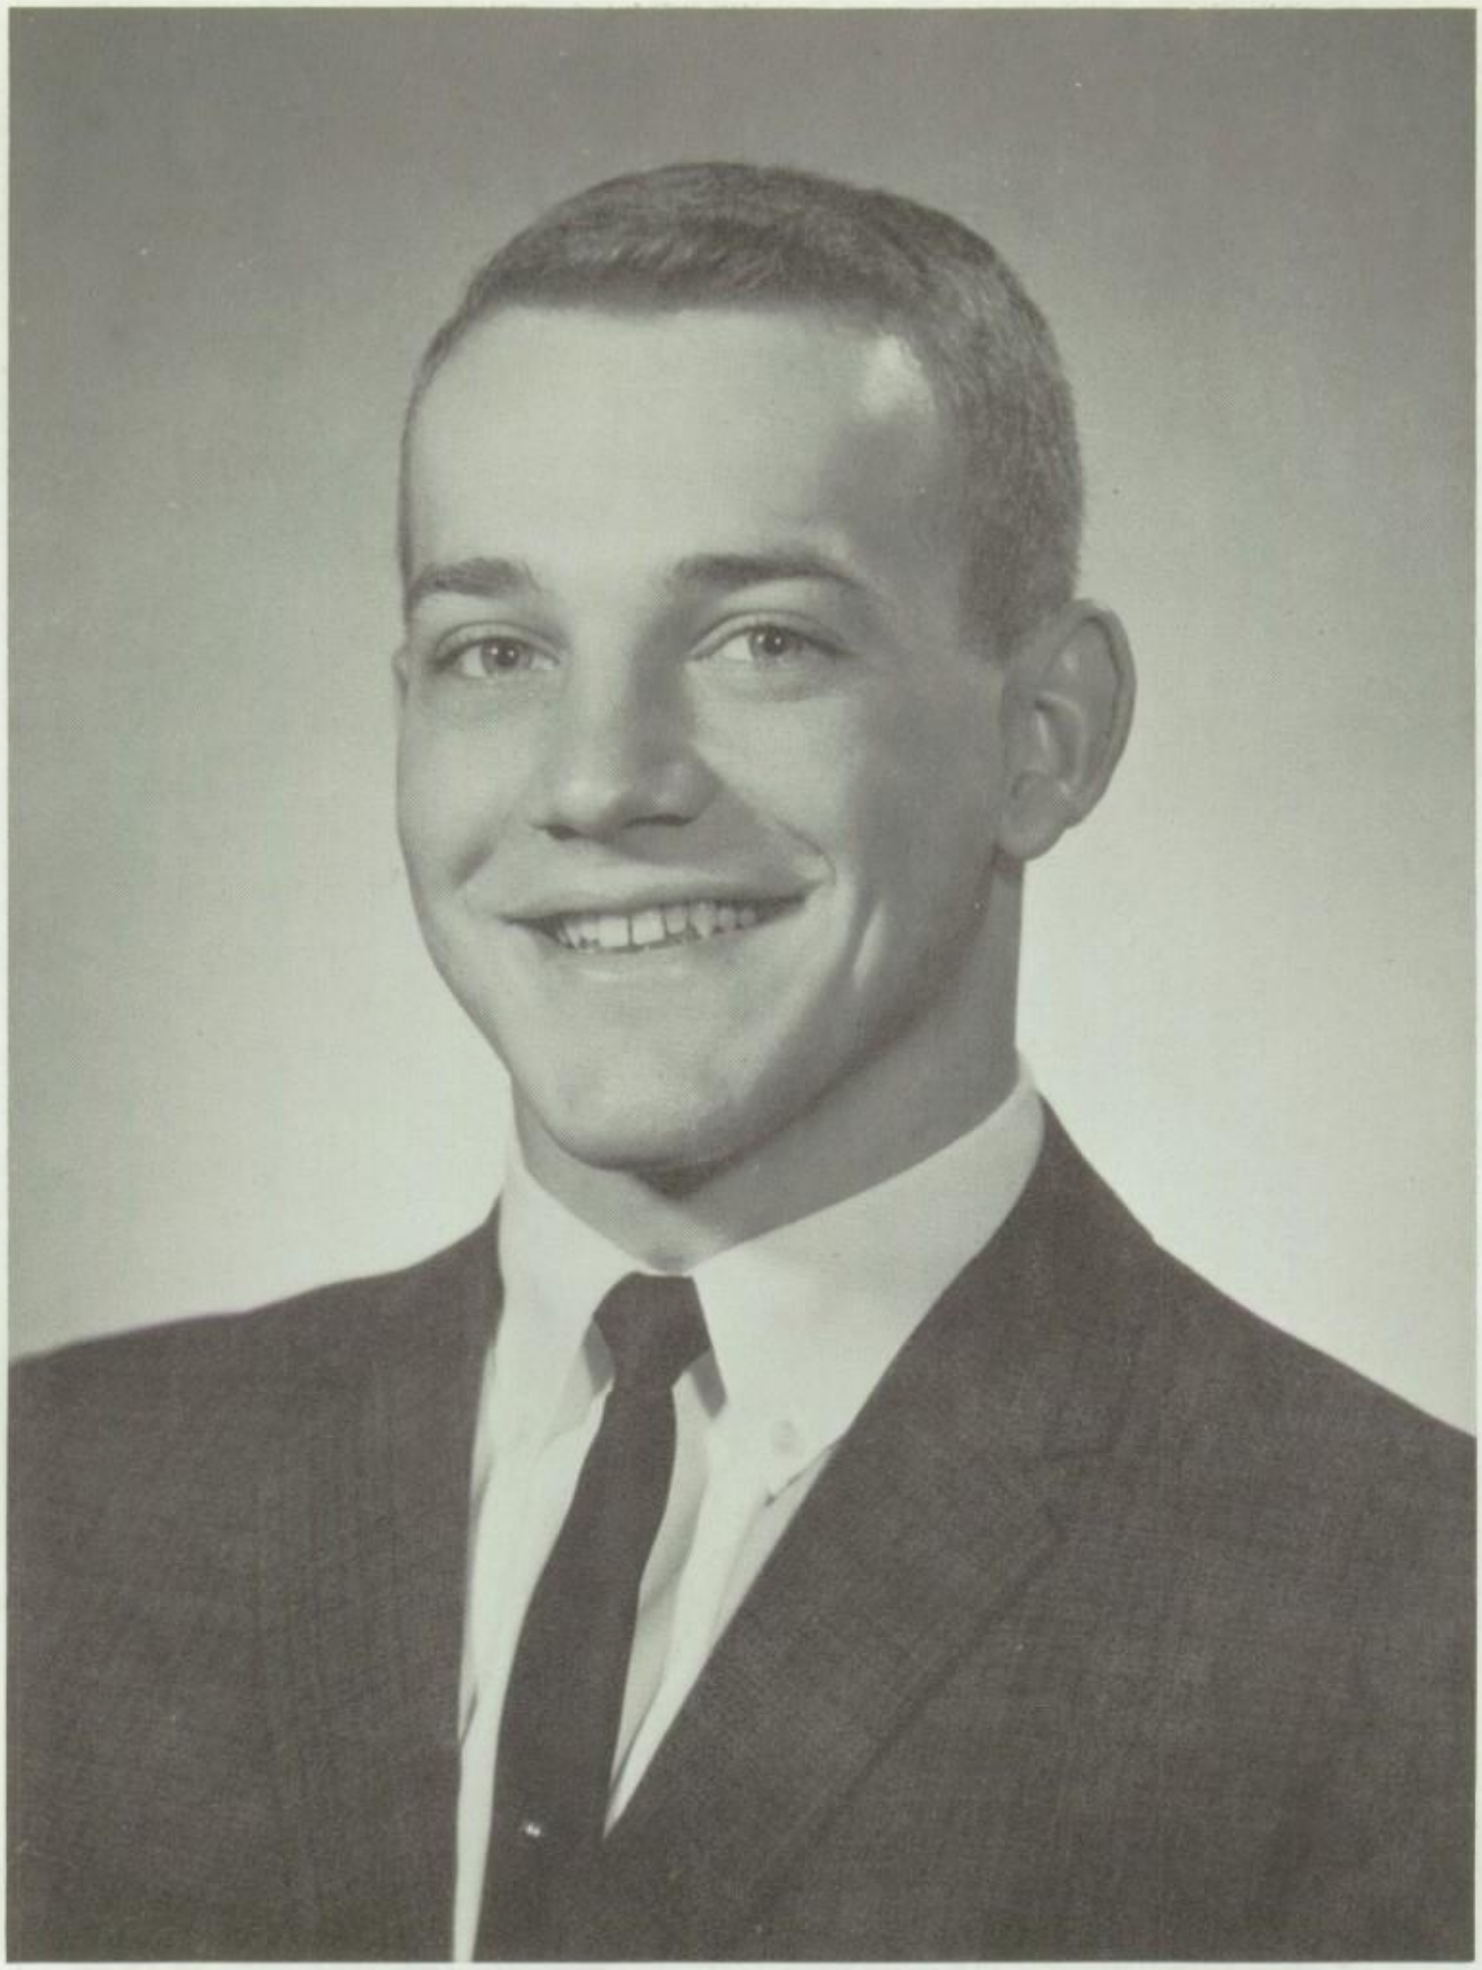
Even with the building and campus packed with twenty-six hundred students, Utah's largest high school, the custodial staff performed a magnificent service in keeping Olympian halls, classrooms, and campus shining and beautiful.





STUDENTBODY OFFICERS

JOEY FRANK, Olympus student body president, has indeed a rare gift. He has the ability to make people laugh when the occasion demands and to seriously accept responsibility when called to do so. This versatile personality made Joey an individual everyone looked upon and respected as a great and talented leader. Joey, as well as the other student body officers, accepted the responsibility of seriously serving his fellow Titans.

If a man makes of himself today what he will be tomorrow, then the future holds a great many wonderful moments for Joey Frank.

SHELLEY RIDEOUT, vice-president, is a person who likes people. Her tremendous sense of humor, her great drive and wholesome attitude have won her many friends. Her competent thinking and strong opinions added much to our student body.

MARK REYNOLDS, second vice-president, an outstanding Olympus Titan, did much for the betterment of every phase of Titan activity. His willingness to "go the extra mile" proved him to be an excellent and well-liked leader.

JOAN BARBER, secretary, gave much to the student body during her three years of high school. She actively supported the Pep Club, her Junior Class, the Music Limited Club, and acted as chairman for many memorable events.

LUANN MELVILLE'S pleasant smile and her friendly "Hi's" helped to make her respected by everyone she met. Certainly Olympus should be proud to have had this happy and charming girl for historian.

PAT LEWIS certainly was "colorfully ours" as the Olympus historian. Pat is truly a sweet, sincere, and popular leader. Much good can and will be said about this loyal officer.

CLASSES

"The high school years were years of magic, a time and a kind of life set apart, physically, emotionally, spiritually, intellectually. They were years which profoundly affected the total being." A paraphrase from "The College Years" holds truth. Sophomore, junior, and senior classes of 1962 mirrored the magic of Olympus High School — the faces of friends, the remembrance of high school days past. Who would forget the haunted halls of the sophomore halloween dance — the special decorations of giant contemporary cards, drivers' education with a stick shift and a slushy street, the killing of Julius Caesar? Who would forget peacock plumes and "Kapu Lani" — the junior prom in March, "Gore Galore" — an assembly of "sin," Emily of Our Town? Who would forget the senior farewell assembly, toasts at the senior banquet, Lady MacBeth's blood-stained hands? But together, who would forget all classes — one class — the year of magic — 1962 ?

CLASS OF 1963

Looking back on the newness of a challenging sophomore life the juniors are now able to look forward to the wonder of becoming seniors and leaders of Olympus High School. Having caught the school spirit by participation in scholastic, social, and extra-curricular activities, the juniors prepared themselves well to assume the responsibilities and obligations held by former class members.

Working hard to include all the first year students, the sophomore officers planned and presented a Halloween dance, an assembly, and a class party. The eager sophomore officers offered their support to all the school activities.

CLASS OF 1964

With enthusiasm and eagerness, the sophomore class supported all of the Olympus activities. They sustained and upheld school traditions which at first seemed like "stumbling blocks." As the year wore on these blocks proved to be but "stepping stones" which lead on to paths of exciting new adventures in high school and future life.

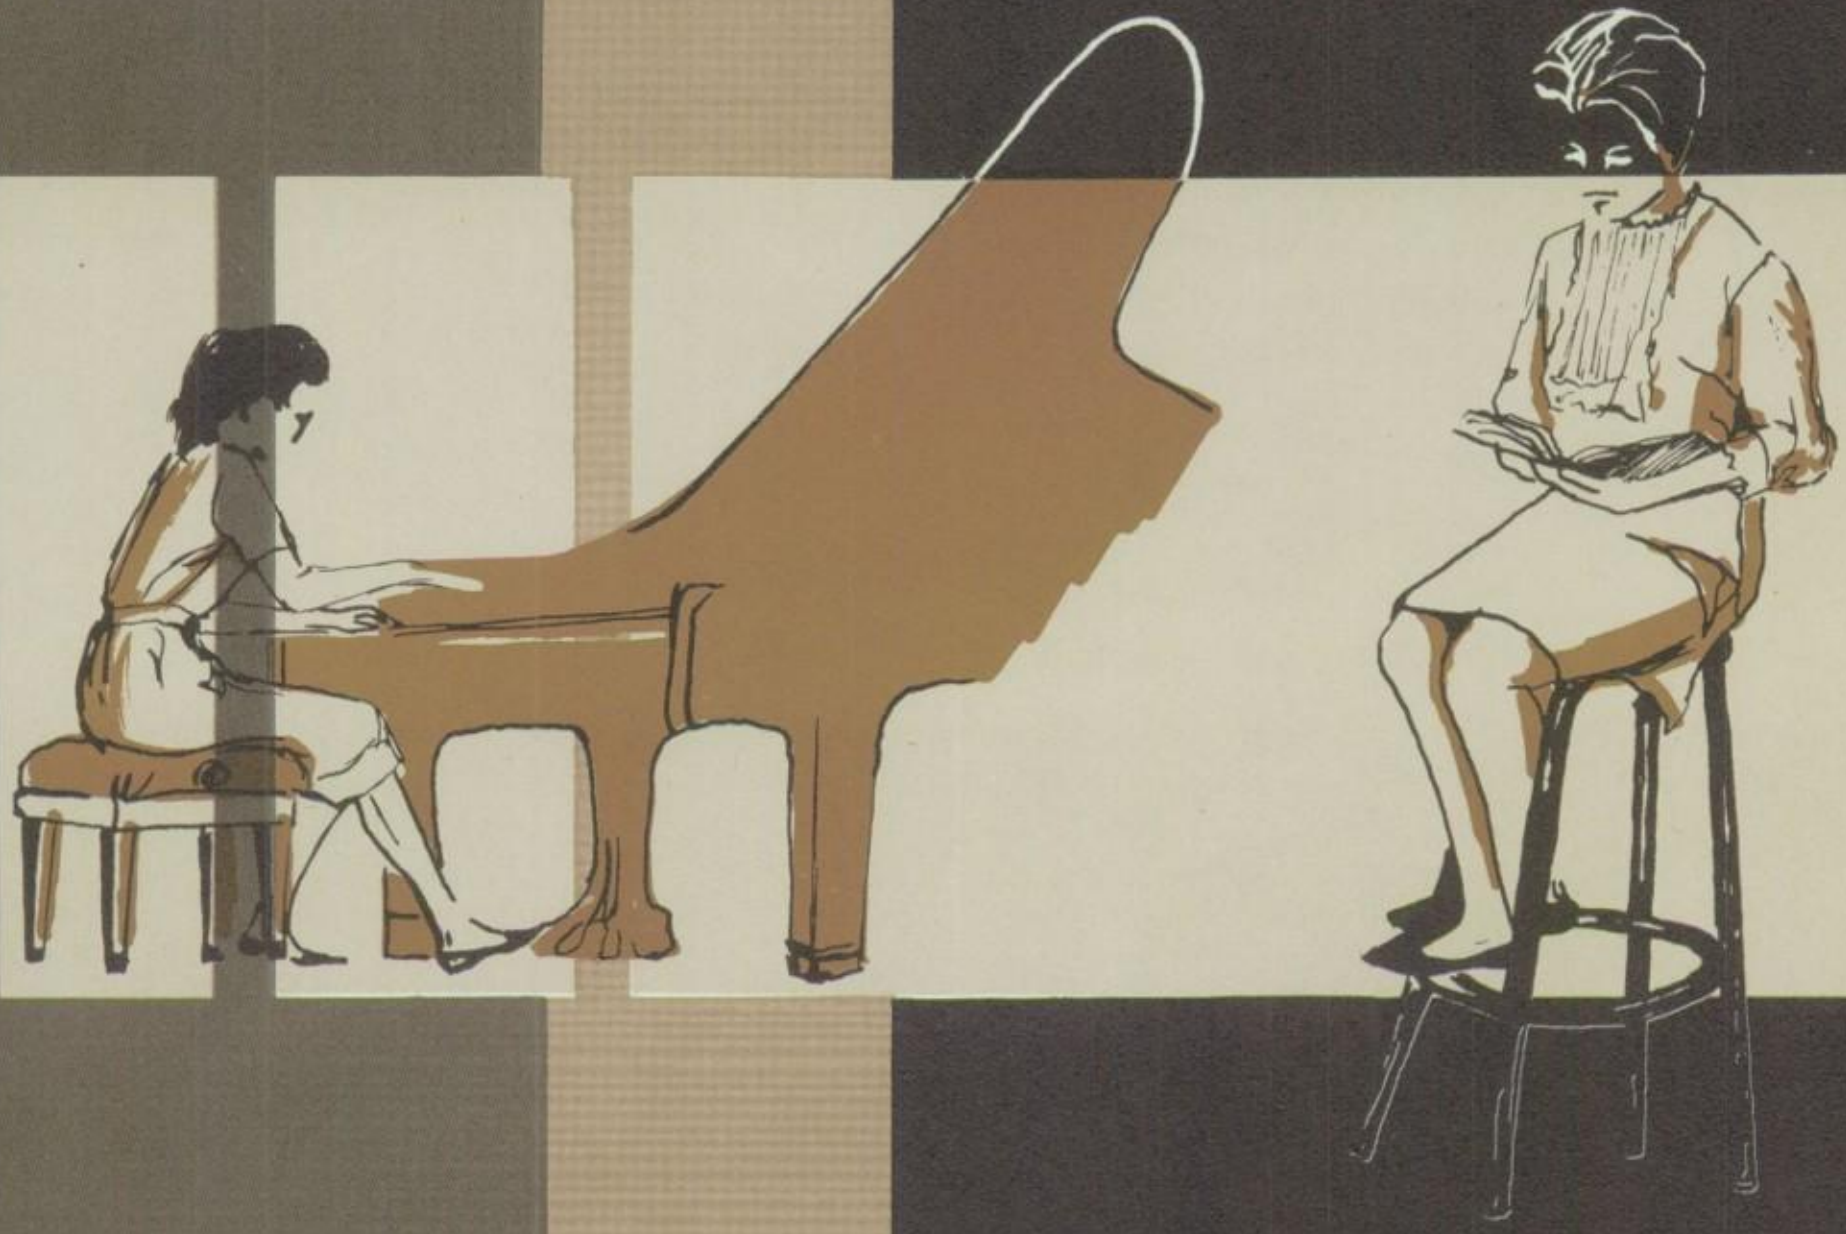
AUTOGRAPHS

Dear Mike,
I'll always remember the fun
times we've had this ~~year~~
year thumbing home from
school. Even better are the
delightful times we've had
in English. It's been fun
knowing you this year (and
all that phony stuff).
Sincerely,
Betsy Minton

ACHIEVEMENTS

Achievement in any field is gained only through effort — not a single effort, but a continuous dedication to a major interest, a "cause" or goal. Every man needs something to pivot his life around whether this something is learning, or playing baseball, or singing, or painting, or building a home. When a man can excel in the one area that is important to him, he is a success. On the following pages, the people pictured reflect Titans who have competed with gusto and enthusiasm because they enjoyed it, because they wanted to; that, they have achieved success with their artistic fingers, their intent minds, their lithe, strong bodies.

ODYSSEY



"NO MAN IS AN ISLAND. . ."

As the pace of the world rapidly progresses from "Around the World in 80 Days" to a brief 80 minute orbit, so does the relationships of countries and peoples move forward. Through the American Field Service program, Olympus students have learned to accept new ideas, new customs, and new beliefs from the two foreign exchange students who have attended Olympus during the year. These delightful girls have proven to the student body — "No man is an island, no man stands alone. . . ."

GRADUATION THEME

What does the Voice say, the Voice in
the Heart? The Voice says, Everyman, I
have a burden for you and a splendor.
You are the end of things—
Or a new world.
Think!
Believe!
Aspire!
Dare!
What more?
The Voice says, day and night, let
your heart listen.
What is your answer, Everyman?
My heart is listening. . . .
Then the new world is born.

ORGAN
AND

ZATIONS CLUBS

REFLECTIONS OF UNITY

The myriad-faced image of the whole of school life at Olympus can only be as vivid as the images of the individual organizations. From one area of these organization, the clubs, Titans participated in an all-school career day, played elf for Saint Nicholas in a sub-for-Santa program, sent choruses of musical valentines, vied for first place in operetta ticket sales, and amused and entertained assembly audiences.

OLYMPUS GIRLS' ASSOCIATION

The Olympus Girls' Association started their chain of events with the annual "Buzzin Cuzzin" party to acquaint the senior, junior, and sophomore girls with each other. "Hoe Down," the father-daughter activity and "Lasting Ties," the mother-daughter activity, were events on the years' calendar. This group also sponsored the annual Christmas dance, "Nocturn de Noel."

OLYMPUS MENS' ASSOCIATION

Who says men can't cook? The Titanic Cake Bake proved the Olympus High Men's Association could. Their concoctions included a cake designed as a brief case, another as a hamburger. A night for fathers and sons and another for mothers and sons were among the special activities of the group. The concluding activity was the annual beard-growing contest and Western Dance.

TITANETTES

The 1961-62 Titanettes, neatly dressed in green and gray, participated in half-time entertainment during the games. Their marches included the traditional syncopated step, a can-can, and a clever cha-cha. These girls provided cookies for Olympus students on Hello Day and at Homecoming. Before the games, the pep club held teas for visiting pep clubs. Construction of the winning Homecoming float, several parties, an assembly, and a dinner-dance added to these events.

USHER'S CLUB

Order was established and respect was maintained during school functions through the efforts of the Usher's Club.

HI TI CLUB

The Olympus Hi Ti Club, a service organization for junior and senior girls, ushered at student affairs, served at banquets, and welcomed new students to Olympus. Ushering at the University of Utah functions, and visiting the aged were among the community activities they participated in. The girls presented a pep assembly entitled, "Mad Witch From the South." Their winning entry in the traditional cake bake was a cake designed as a bee hive.

The staff of the Thunderbolt regularly provided the students of Olympus with a school paper. Coverage of school activities, sport scores, informative columns, and pictures were just a few of the many items in the publication. Special editions for the first day of school, Homecoming, Christmas, and election day were features of the 1962 Thunderbolt.,

Choosing a theme, developing creative ideas, snapping pictures, and meeting publisher's deadlines required co-operation among the various staffs of the yearbook. Beginning in the early summer, the editor, the staff members, and the sponsors worked on the lay-out, picture appointments, and other details. Throughout the year, the staff continued to reflect momentary action of 1961-1962 school days in pictures and words.

During the first few weeks of March the atmosphere at Olympus High took on a distinctly exciting air. The reason — the production of Victor Herbert's Operetta, "Naughty Marietta." With a cast of two hundred students and the cooperative assistance of nine school departments, the Operetta of '62 was a "smash hit" and an excellent example of achievement accomplished by unity.

"Hey, Yama, Yama" could be heard resounding through the school when the Olympus Cheerleaders inspired both the student body and the teams with their enthusiasm. Creating new cheers, planning pep assemblies, and drawing posters were some of the activities which were responsible for getting the student body behind the team. The students will long remember "We're gonna Clap our Hands," one of the many new cheers introduced by this group.

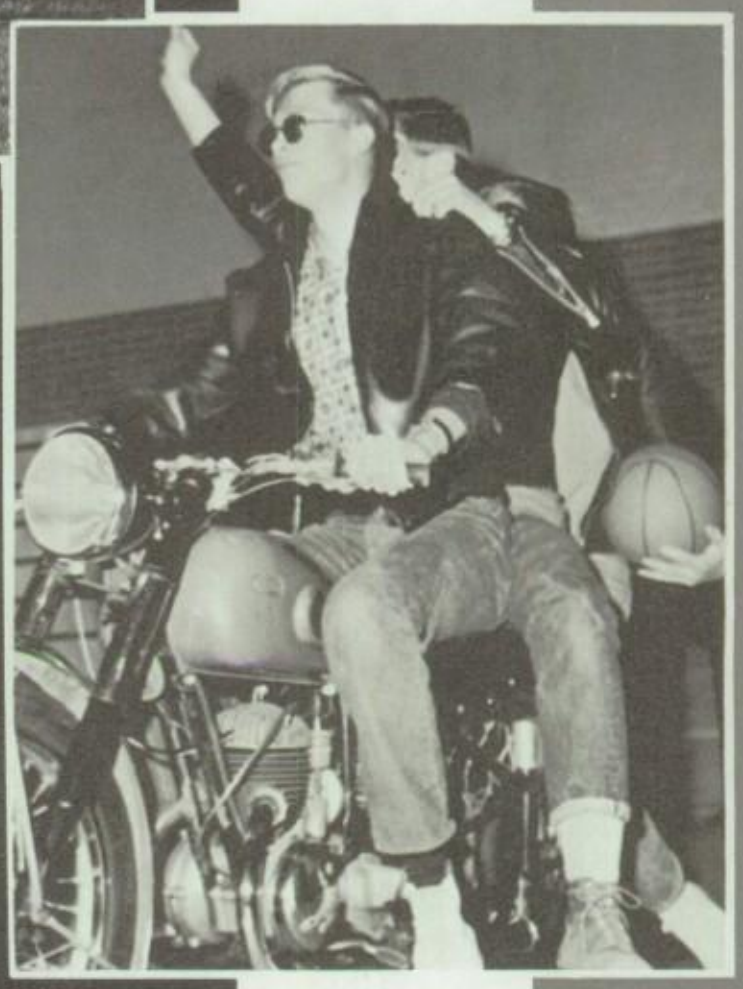
JUNIOR VARSITY CHEERLEADERS

A new group, the J. V. cheerleaders, presented as a pep assembly the basketball version of "The Night Before Christmas," distributed boosters, and displayed several posters in an effort to stimulate school spirit.



PEP ASSEMBLIES

An exciting and well attended activity at Olympus was the regular Friday pep assembly. Many of the clubs and faculty members took turns to help the cheerleaders plan and present a different assembly each week. These assemblies provided the spark which ignited the Titan spirit.

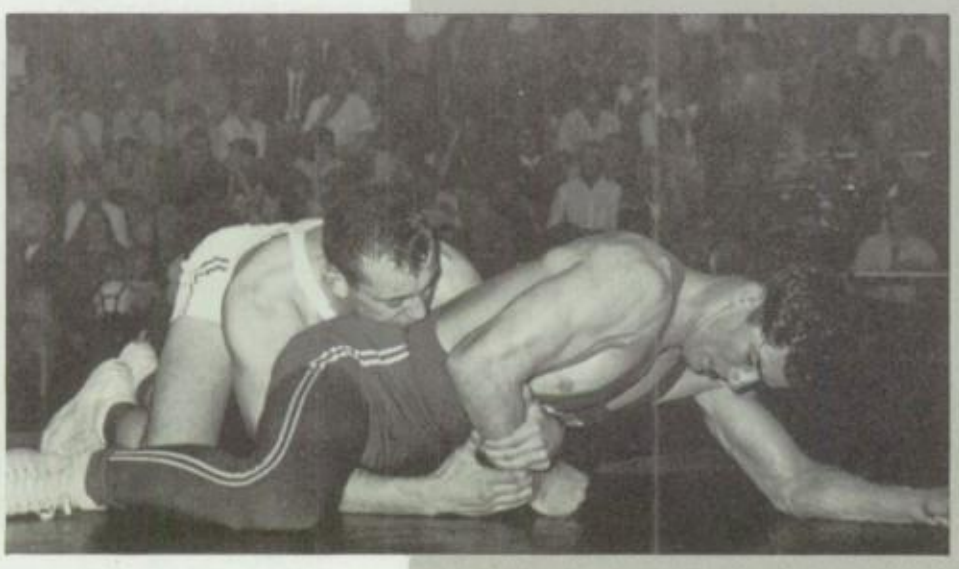
The wrestling team repeated its traditional performance as the Titan combatants captured their Fourth Consecutive State Championship. This was Olympus' fifth state title in six years.

Managers: Jay Nichol, Tom Duffin.

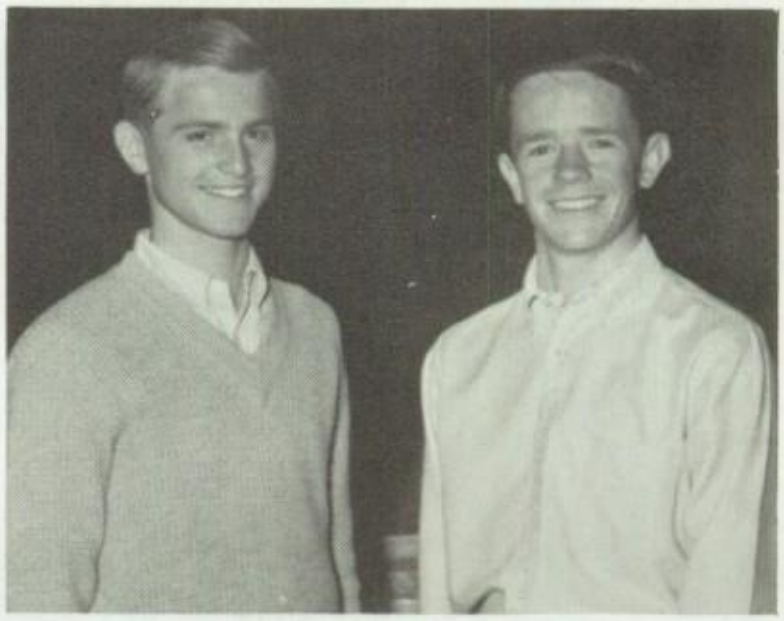
WRESTLING



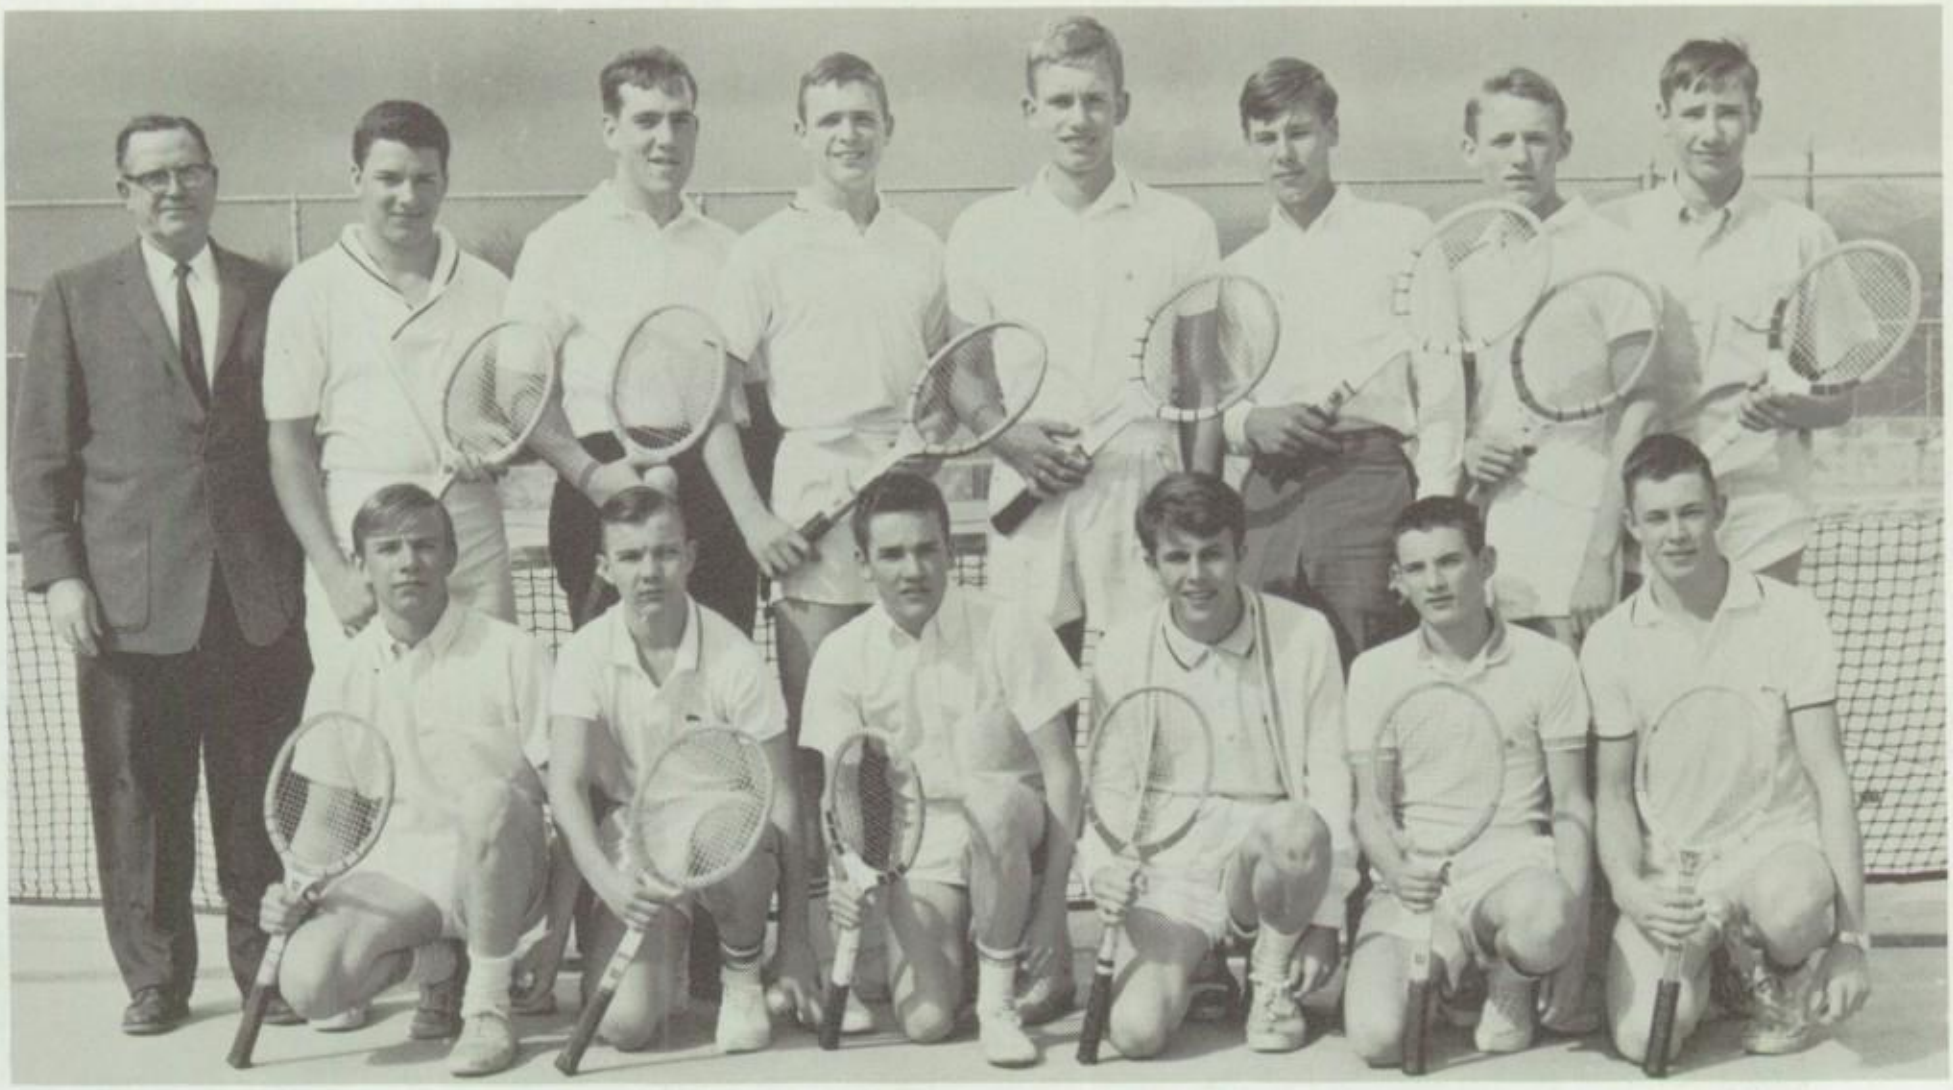
SKI TEAM

The heavy snow that fell during the year made it possible for the Ski Team members to ski weekly throughout the winter months. The talents and skills of the members brought honor and recognition to Olympus.

Left to Right, Front Row: C. Ure, J. Perri, H. Collins, G. Barton, Sponsor; R. Locke, J. Durham, K. Harris.



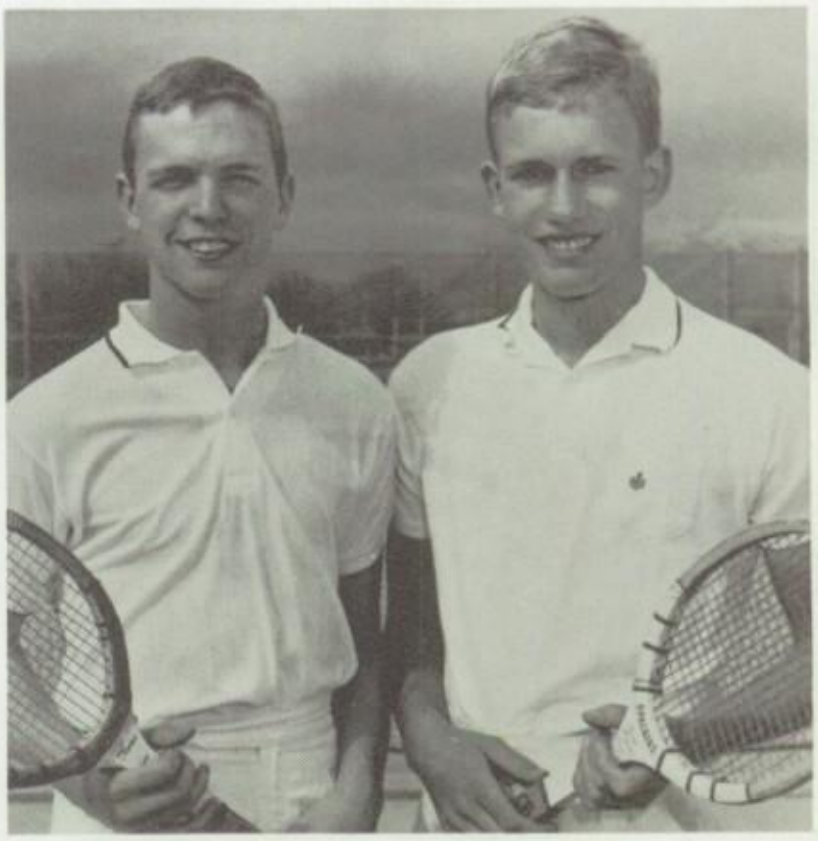
Captains: J. Durham, K. Harris.



Left to Right, Front Row: G. Stowe, L. Ludlow, G. Child, B. Stoner, R. Egan, V. Andrus. **Second Row:** S. Dixon, J. Denton, S. Moss, M. Reynolds, D. Childs, S. Alexander, W. Egan, R. McMillan.

TENNIS TEAM

Stroking, spinning, slicing, and serving the ball were just a few of the skills developed by the boys on the tennis team. Once labled the sport of kings, tennis certainly was transformed into the king of sports for these players.



Left to Right, Captains: M. Reynolds, D. Childs.

BASEBALL TEAM

"Take me out to the ball game!" was the cry heard throughout the student body during the warm days of late spring when there was an epidemic of baseball fever. The drowsy lull which often settles over the spring season was interrupted by cheering students spurring Olympus' mighty baseball team on to victory.

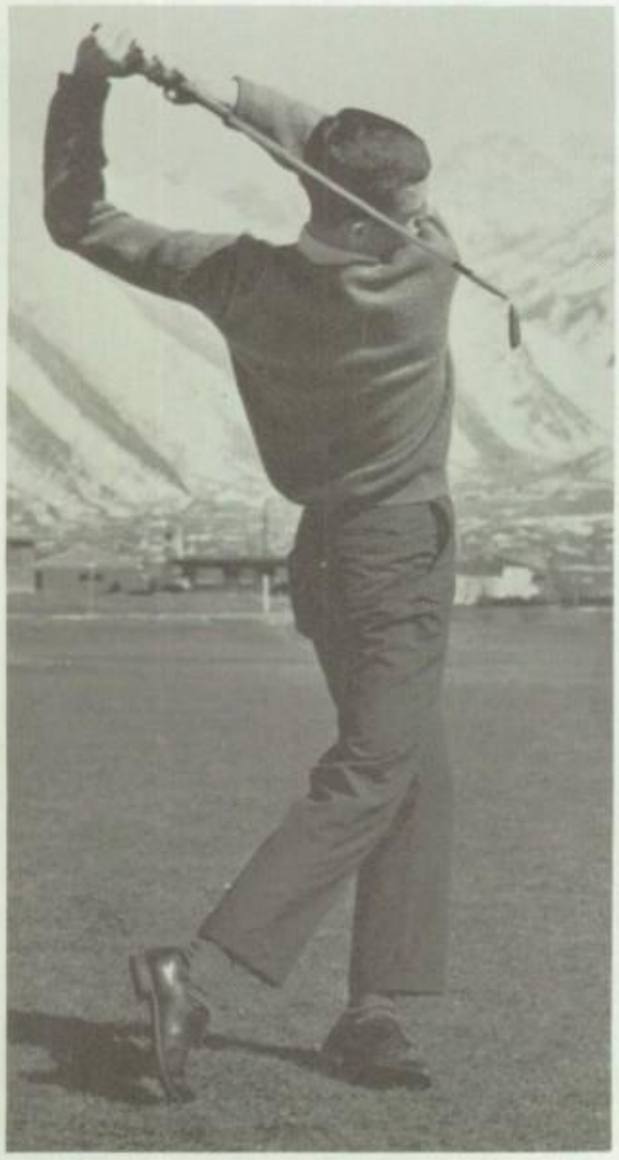
GOLF TEAM

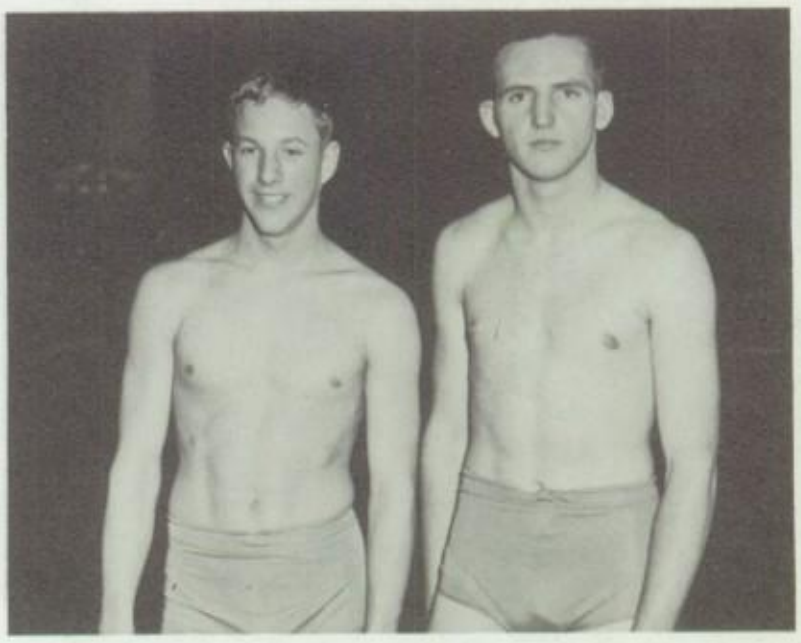


Many hours were dedicated to perfecting timing and polishing golf strokes by the golf team. Frequent practices provided an incentive for the players to advance their techniques and to lower their scores in this intriguing sport.

Left to Right, Front Row: J. Fulghum, J. Combs, D. Magleby, D. Poulsen. **Second Row:** J. Adkins, R. Nichol, A. Bunker, C. Jacobson, J. Carlson. **Top Row:** R. Clark, P. Sybrowsky, K. Campbell, J. Hippen, C. Wilkinson, G. Van Zyverden, D. Sullivan, Sponsor.

SWIMMING TEAM

Although our swimming team members were handicapped by the lack of their own swimming pool, the team placed sixth out of twenty-seven teams in the state tournament. Because this was Olympus' first swimming team, this accomplishment was especially notable.



Co-captains: J. Adkins, R. Nichol.

Precise timing, the result of constant drilling, often determined the winners in the highly competitive fields of track, a sport involving specialized skills, developed muscles, and acquired coordination.

Mike,
Well another year it has been a good one tennis, softball, Baske and we still have a summer 2 h your back gets better for this su

TRACK TEAM

"The trace of friendship — mind and heart
Linked with their fellow heart and mind;
The gains of science, gifts of art;
The sense of oneness with our kind;
The thirst to know and understand —
A large and liberal discontent;
These are the goods in life's rich hand,
The things that are more excellent."
—William Watson

The door has closed for us on another year of "things that are more excellent." Olympus High School has provided us with the opportunities for friendships, gains in science, and gifts of the arts, and has given us a place to quench our "thirst to know." May this Odyssey reflect these friendships and activities and bring to us through the years vivid memories.

Much effort has gone into catching these reflections — and my sincere thanks go to all who have helped in any way to carry the heavy load.

Let the Reflections to "things more excellent" be an inspiration and a guide to the achieving of the goals.

Much Success

FAREWELL

"Olympus is our foundation;
She thrusts tomorrow upon us!
Tomorrow . . .
Tomorrow . . ."

Mike,

We've really had a lot of fun in Amer. Problems. There was never a dull moment with you to liven it up. You're such a crazy nut and I really enjoy talking to you. Seriously, Mike, I really think you're different — and that's a compliment. You just aren't like any other boy I've ever met. There's something about you — I can't explain. I'll come down to Cave's some time this summer and see ya OK. If you see me anytime don't forget to say ~~hey~~ Hi OK. Bygood

Love ya

Cheryl Christensen

Dear Max,
How's my
old friend?
Some day come
up again with Dicker
O.K.? I'm glad I met you
again this year, Max too

Max,

One of these nights
we've got to go get
drunk. Hope your back
gets better so you
can play softball

Love

Max (Dick)

Mike,
We've had fun this year in
Amer Lit even if we haven't
learned anything. I've enjoyed
your friendship and I still
love ya. . Sheryl Christensen

P.S. Hope we have a class
together next year

Mike,

This will sound ignorant,
but I think you are like a breath
of fresh air to the art dept. What
I mean is: you have a very mature
mind compared to most kids your
age, and it shows up in your art work.
So ~~many~~ many of the people in art here
don't know. Their ass from a

Keep up the
good work
and you'll go
places.
Good luck

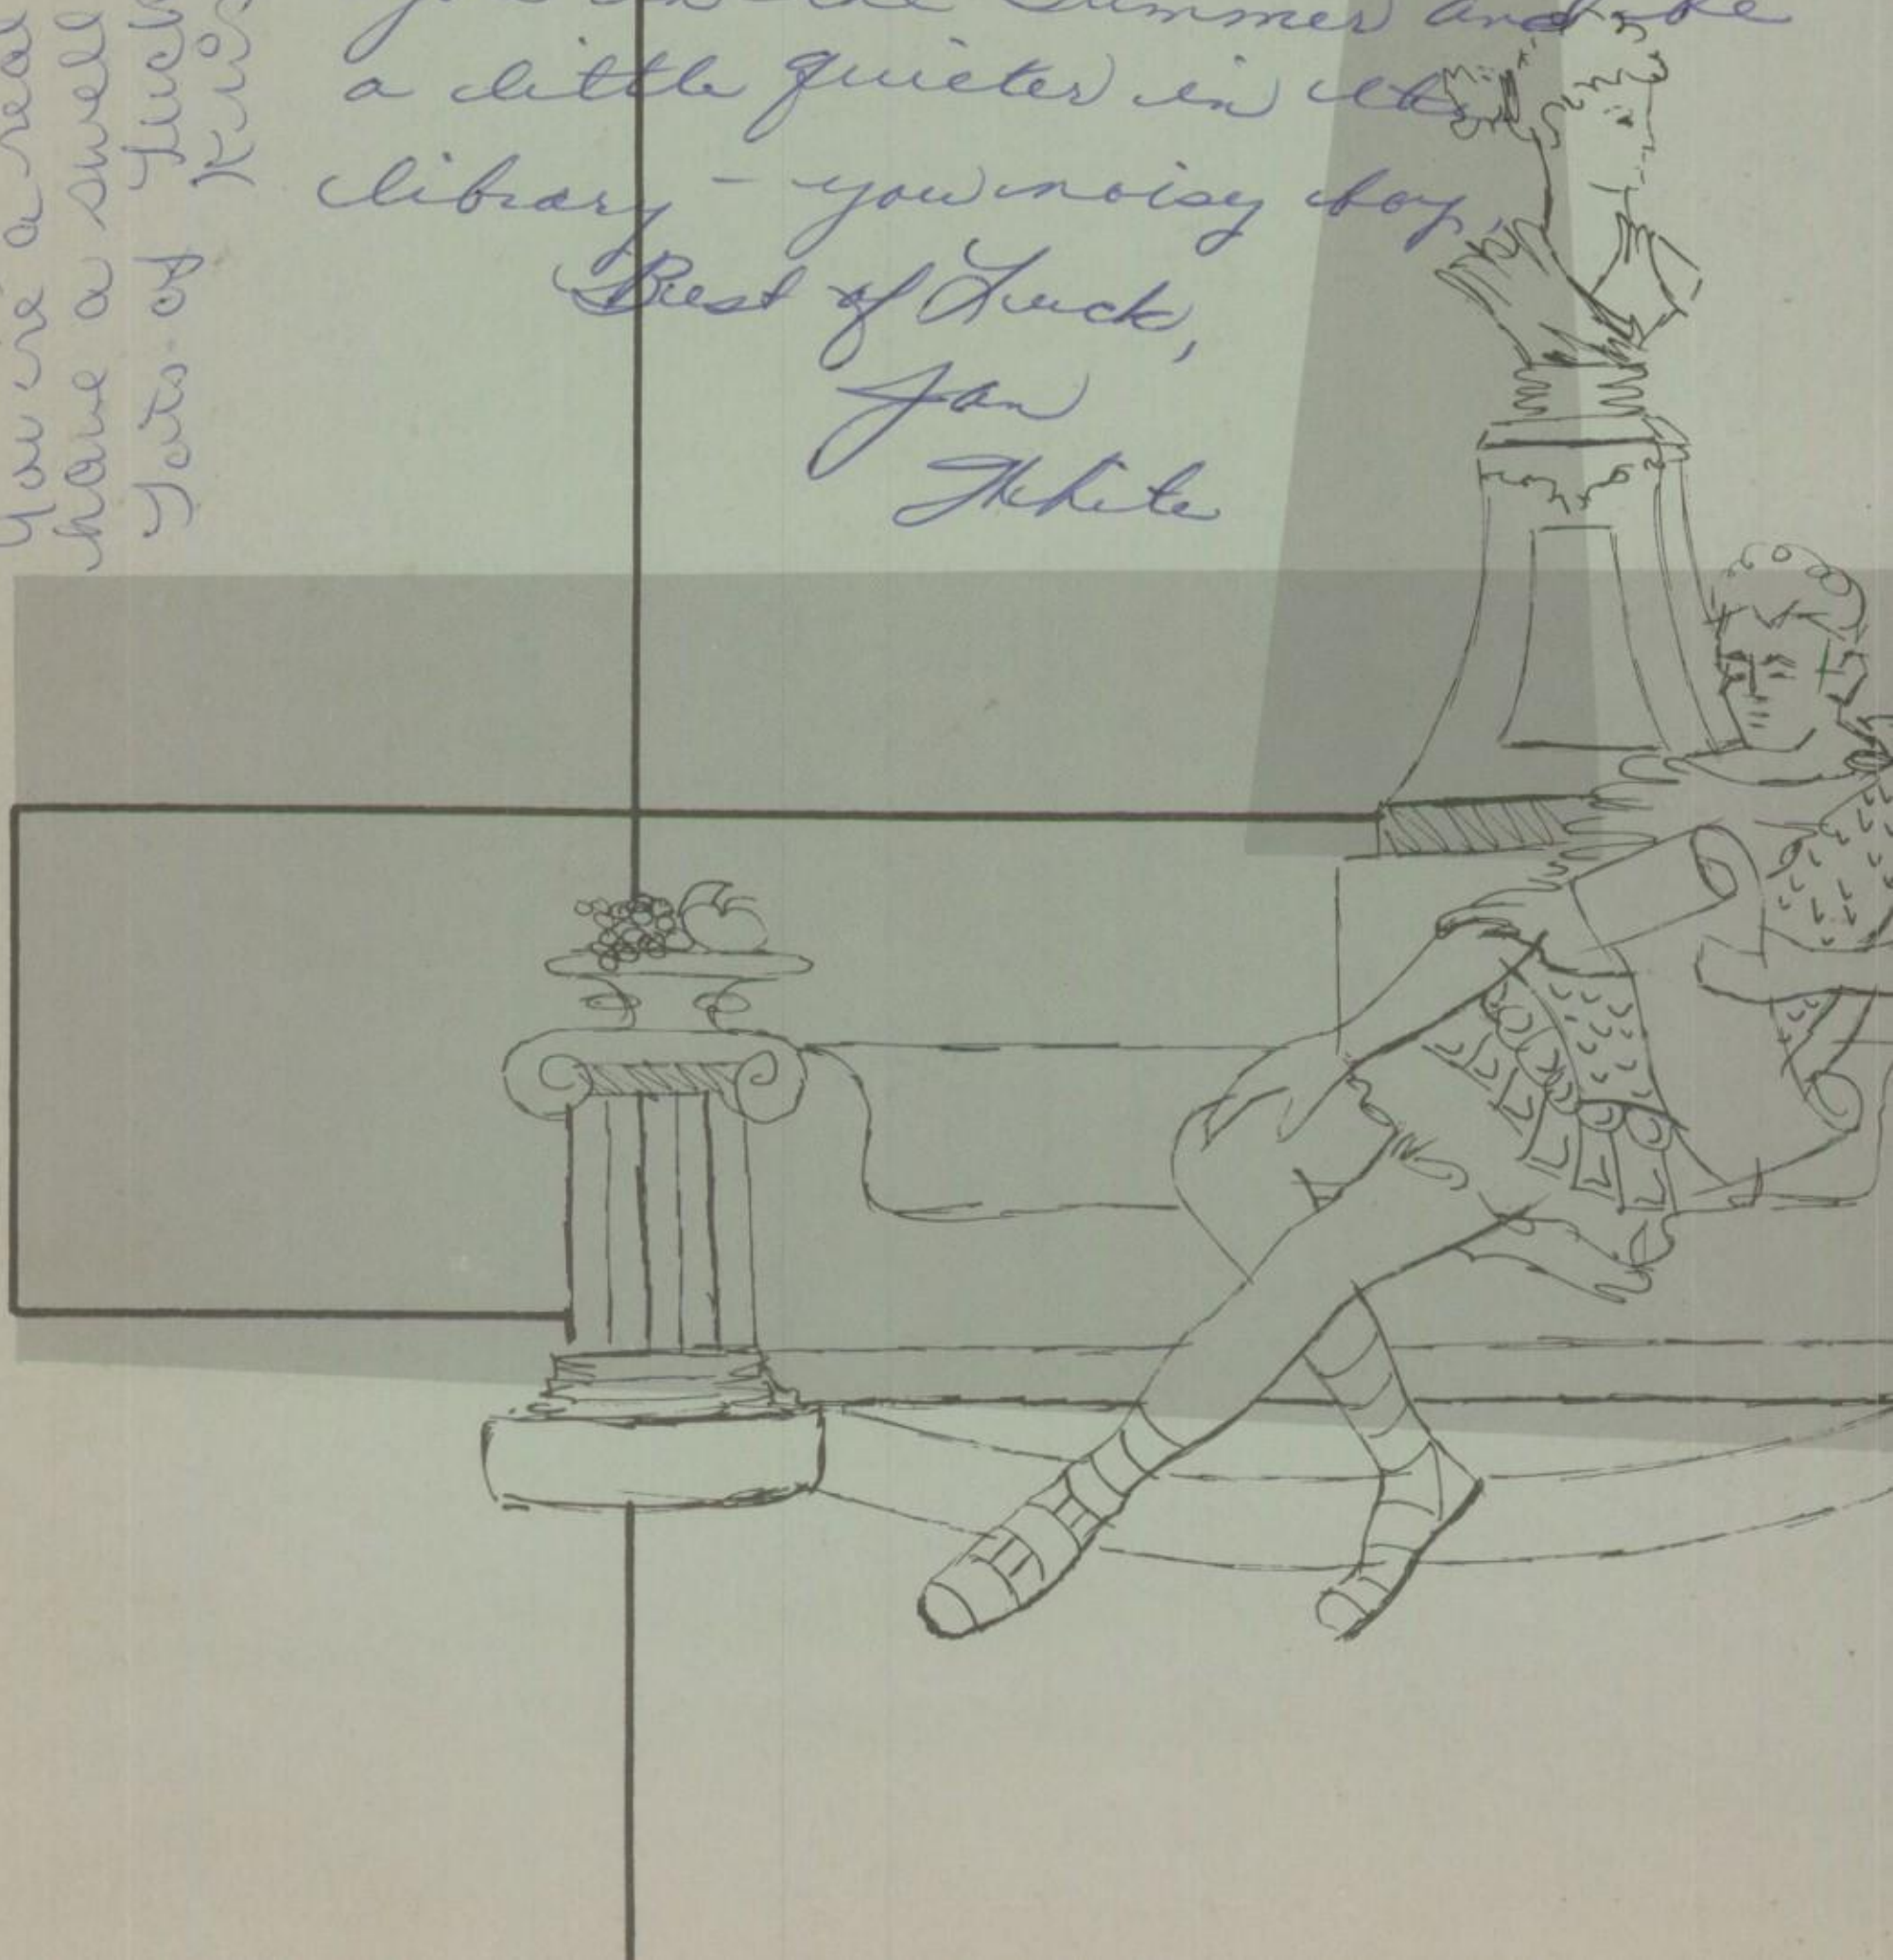
Dearest Little Mikie,

It has been a real treat knowing you in English. I sincerely hope that I'll have you in a Class next year. Take it easy on the girlies this summer and be a good little boy. Hope to see you in the summer and be a little quieter in the library - you noisy boy.

Best of Luck,

Jan White

Mikie,
You're a real nice guy and have a swell personality.
Lots of luck -
Miss Wilhelmsen



Dear Mike,

It's been real great. You're a real sharp kid and I like you lots. No kidding Mike, I hope we can remain friends forever, because your friendship means an awful lot to me. Best Wishes always Mike and if you can manage it I'd love to see ya. Take care of yourself because I'd hate to see anything happen to you.

A friend always
Claudia

Dear Mike
Well enough to promise
that it shouldn't be funny when I'm
dead to you. Hate that I won't
be there to tender you a
Letter

Dear Mike,
Even though I love Bro. Olsen madly, Seminary hasn't been too bad this year. You really are a ball of fun - I hope our friendship continues. I'd just be terribly unhappy if you're not in my class next year. Be good during the summer.

Edwina Burton

Dear Mike,
We've had so many good times together in these past years. I sincerely hope that our friendship will continue to grow and that you will succeed in all your endeavors. Stay happy always —
Love and Kisses this Summer!
